Peerless Iron Cleaner

JVD's Peerless Iron Cleaner keeps your irons performing like new. Formulated to safely remove residue and build-up from the soleplate, it restores smooth glide and prevents fabric stains. Non-toxic, non-flammable, and easy to use, this 150g cleaner ensures effortless maintenance for long-lasting ironing performance.

PRODUCT PLUSES

- Effectively removes residue and scorch marks from the iron soleplate
- Non-toxic and non-flammable formula ensures user safety
- Easy-to-use application for quick cleaning and maintenance
- Extends iron lifespan and maintains smooth ironing performance
