ADESIGN TRAVERTINE Square tissue box

The Travertine tissue box combines a mineral aesthetic with everyday hotel practicality. Its textured resin and Beige Sandstone finish create the natural appeal of stone, complemented by a contrasting matt black steel base. A magnetic base makes tissue refills convenient, while the compact cube design keeps everyday essentials neatly presented in contemporary interiors.

PRODUCT PLUSES

- Natural stone appearance: Textured Beige Sandstone finish brings warmth to the room.
- Convenient refilling: Magnetic base allows easy access for replacing tissues.
- Compact design: The 145 mm cube fits neatly on vanities and bedside tables.
- Moisture-resistant resin built for intensive use
