

TAPRO50

TA PRO 50

JVD's Thermo-Absorption TA-PRO Minibar delivers silent, reliable cooling performance for the perfect guestroom experience. Using an eco-friendly R600A refrigerant and thermo-absorption system, it ensures 100% silent operation with low energy consumption. Designed for convenience, it features automatic defrosting, LED lighting, tempered glass shelves, and a reversible door with secure lock.

PRODUCT PLUSES

- 100% silent operation enhances guest comfort and sleep quality
- Eco-friendly R600A refrigerant ensures safe, sustainable cooling
- Automatic defrosting and LED lighting offer effortless maintenance
- Tempered glass shelf and quality lock combine elegance with security
